

Horton CBI, Limited

CB&I (NYSE: CBI) is one of the world's leading engineering, procurement and construction companies and a major process technology licensor. We provide a comprehensive range of solutions to customers in the energy and natural resource industries.

Drawing upon the expertise of more than 16,000 employees worldwide, CB&I offers a full scope of services, from conceptual design and technology licensing, through engineering, procurement, fabrication and construction, to final commissioning and beyond – with a portfolio of aftermarket services.

With engineering offices and projects located around the world, CB&I has the global experience and local expertise to safely deliver superior results even in the most challenging environments.

Our comprehensive portfolio of projects across the industries we serve and our concept-to-completion range of capabilities position us to meet the needs of our clients year after year.
